Billy Ellzey

Superintendent of Education

Kosciusko High School will return to in person classes five days a week for all students beginning Monday, September 20, 2021. After seeing a significant decrease in positive cases we believe we will be able to maintain our normal five day a week schedule for the remainder of the school year. We will continue to closely monitor our case numbers and follow the guidelines of the Mississippi Department of Health to make decisions going forward. As always the health and safety of students and staff is of the utmost importance. Thank you for your understanding as we continue to navigate this year and provide the best possible education for our students in the safest possible environment.
