

Kosciusko School District

PARENTAL OPT-OUT FOR STUDENT DIRECTORY

Dear Parents:

The Kosciusko School District is considering publishing a student directory for each school within the district. The directory will contain pictures similar to that found in a yearbook for each school as well as other information about each student in the directory.

The information published will not be personal information that could bring harm to your child/children.

As a parent you have the right to opt-out of having your child/children placed in the directory. You may complete the attached form and return it to the school. Written confirmation is required otherwise your child/children would be included in the directory.

Sincerely,

Principal
